

# P-610

栅板式端子 &gt; 独立端子

下载日期:2020-08-04版次:1.2

目录仅供参考，实际规格仍依照产品工程图面为准

## 产品介绍

Pitch : 5.08mm , 0.4x1.35mm, 30A

## 一般资讯

|                        |                                                 |
|------------------------|-------------------------------------------------|
| 产品概述                   | Barrier terminal blocks , Quick terminal blocks |
| 产品类型                   | Quick terminal blocks                           |
| 产品间距 (mm)              | 5.08                                            |
| 引脚尺寸 (厚度___ x 宽度___mm) | 0.4x1.35                                        |

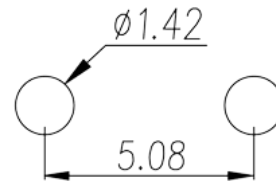

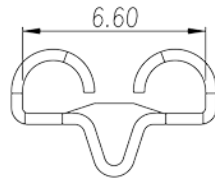

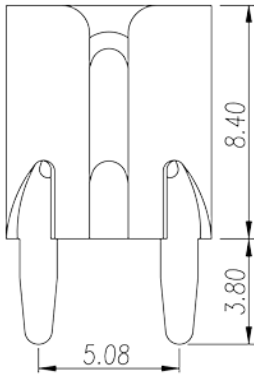

## 材料信息

|        |              |
|--------|--------------|
| 导体材料   | Copper Alloy |
| 导体表面镀层 | Tinned       |

## VDE认证参数

|          |    |
|----------|----|
| 额定电流 (A) | 30 |
